2020 AMERICA'S RICHEST FAMILIES NET WORTH

as of 12/16/20

\$47B

KEY CONNECTIONS

Pauline
MacMillan
Keinath

Cargill

- The Cargill-MacMillan family owns Cargill, one of America's largest private companies with revenues of \$114.6 billion.
- The company was founded in 1865 when W.W. Cargill started a grain storage business in Conover, Iowa.
- Today the company sells and markets food, trades commodities and provides financial risk management.
- An agreement among different branches of the family puts six family members on Cargill's 17-person board.
- There are approximately 90 family members that together own 88% of the company. According to Forbes, 8 of the family members are billionaires.
